

Quick Facts Regarding the Proposed 2013-2014 School Levy

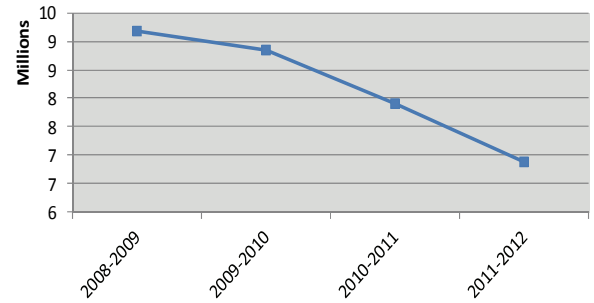

Annual Property Tax Assessed to Support Schools
2004-2013 (median home value)

Taxes to support the school have DECREASED from \$558 in 2005 to \$257 in 2012 for a median home owner in Boundary County.

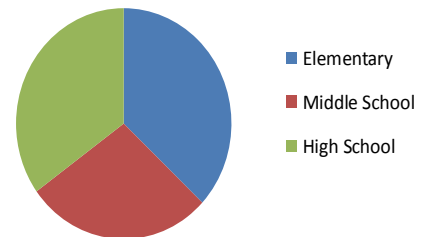

This is a REPLACEMENT levy. It replaces the levy that is already levied. Your taxes should be very close to what you paid last year in school taxes because there has not been an increase.

Declining State Support (millions)

State support for Boundary County schools has decreased 26% since 2008. Declining state money requires additional local support to maintain existing school programs.

Where would the money be spent?

The levy would be used to support all schools in Boundary County.
